

Case No OMB-24-4958

9 September 2024

The Hon. Prime Minister
Office of the Prime Minister
Auberge de Castille
Castille Place
Valletta

Hon. Prime Minister

In terms of Section 22(4) of the Ombudsman Act, I draw your attention to the Final Opinion (copy attached) delivered on the 6th August 2024 following a complaint received at my Office.

I found that the complaint was justified and my recommendation was sent to the Gozo Channel Company Limited and was also copied to the Minister for Gozo and Planning, the Permanent Secretary representing the same Ministry and to the Director General (Coordination and Implementation) at the Governance Action Directorate.

In view of this and since no feedback was received, I am bringing the matter to your attention in the hope that this can be settled through your good offices, thus obviating the need of further procedures pursuant to the aforementioned Section 22(4).

Yours sincerely

Judge Joseph Zammit McKeon
Ombudsman
