Dear Dr Demarco,

Thank you for your communication of the 9th instant, subjoined.

Since MCAST has accepted this Office's recommendation to adopt, as soon as may be, a transparent and accountable procedure for the examination of requests for the extension of contracts beyond retirement age for all members of its teaching staff, the complaint is being registered at this end for statistical purposes as 'Sustained – recommendation made and accepted'.

Of course, this Office expects to be kept fully apprised of the adoption of the new procedure, particularly since the Final Opinion and your commitment is being published online in the public interest pursuant to Article 29(2) of the Ombudsman Act.

Yours sincerely,

Vincent A. De Gaetano
Commissioner for Education
